Dear Community Member,

2009-2010

The 2009/2010 Fayette County school year is upon us so the McIntosh Band members are hard at work preparing to proudly represent Peachtree City and Fayette County in performances and competitions throughout the school year all over the State.

Last season our "Spirit of McIntosh" Marching Band was thrilled to perform in the 2009 Gator Bowl Half-Time Show! The Marching Band is just one component of our band program. The students that make up our four concert bands, the ensemble groups and our marching band have earned a remarkable amount of awards and accomplishments during their tenure with the McIntosh music program. We are happy to proudly represent our special community by performing at city events, concerts and competitions all year long. We owe much thanks to our director of eleven years, Ms. Barbara Baker and her assistant director, Daniel Akins for their dedication and commitment. Their strive for excellence helps ensure our students graduate from McIntosh as well rounded and ambitious young men and women.

I am contacting you on behalf of the McIntosh band program and the fund raising team to request your support in the form of a tax-deductible donation. We were pleased to verbally recognize last year's supporters at home football games to crowds of thousands, (We run the Half-time Shows!) on various printed programs throughout the year, on our website and in many other ways.

We look forward to including your organization in this year's roster of generous supporters. Funding of the McIntosh's Band Program falls almost entirely to the parents and community members, such as yourself, so we thank you for whatever support you can provide.

I've included a *partial* list of our yearly scheduled performances and a detail of our platform program. If you require additional information about our band program or any of the scheduled events please contact me and I will be happy to answer any questions you have.

I thank you for your time and consideration.

We hope you will join us at one of our performances this music season!
